THANK YOU for volunteering in Kindergarten! Your children will be thrilled. They look forward to your visits and your help. (I do too!) I took the information from your volunteer sheet and have slotted you in on one of your preferred days. Hopefully I've gotten it correct!! Should you need to make changes, please do not hesitate to contact me. For parents who are not certain of their work schedules as yet, please feel free to contact me, and come in on a day where there are no volunteers. Thanks again for your willingness to help out in this way.
